Hello daily grind, hello humdrum grey. Sometimes both seem depressingly routine. That's when it's time to turn up the music and use the power of art to transform your home into the loveliest place on Earth. And you're in luck: this collection has exactly the wallcoverings you need. The designs come in breezy pastel shades on a textured, fabric-feel background, guaranteeing a relaxed, cosy atmosphere. Pale pink, greyish blue, powdery beige and smoky green are all present and correct, stylishly paired with floral watercolours. A large block-striped design, a tendril pattern and a range of block-colour wallcoverings all add to the harmonious range of offerings – sheer poetry for your walls.
